SHAH ALAM: A total of 128 golfers teed off for a good cause, here, recently.

They were participants of the third MyKashif Charity Golf tournament which raised RM487,000 for the MyKashif Foundation.

The winners received their prizes during a buffet dinner, which also featured a lucky draw with a 42-inch plasma TV as the grand prize.

Established in April 2009, MyKashif Foundation is a charity organisation which aims to help needy Malaysians through its food distribution, education and training programmes.

MyKashif is also collaborating with Yayasan Cemerlang to provide 50 full scholarships to MyKashif youths who are SPM leavers to study in Uiirazak (Universiti Tun Abdul Razak), Kuala Lumpur, for four years.

Seven successful applicants were accepted for the first intake last month.

For details on the scholarship programme, email info@mykashif.com. By Ricky Yap
